

BRAmPTON ABBOTTS

Village Hall

News Update - July 2022

AGM

We would like to say a big thank you to everyone who came along to the AGM on the 7th June to hear what we had to say, show their support and vote for their new team of Trustees.

Please take a look at the **About Us / Management** section of the website as this has now been updated to reflect the changes including the latest **June 2022 AGM Minutes** along with the last **Trustee Meeting 22.06.22 Minutes**.

The Trustee meetings will be held on a monthly basis, wherever possible on the third Wednesday of the month.

Robert stood down from his role as Chair after 10 years of service to the Village Hall and was presented with an engraved whisky glass and bottle of whisky from the Trustees. The glass was engraved with the words 'Rob, thanks for all you have done for our Village Hall over many years'.

Renovation Project Update

YAY we now have a **NEW ROOF**, how exciting and how grand it looks. With a lick of paint it will look fantastic!

Unfortunately as the site was cordoned off during the renovation the grounds are looking a little neglected. At our next Trustee Meeting we will be discussing how we get on top of this. See the Volunteers section of the web site as we will be calling on all you gardeners for your help!

Continued

We have been in discussion with Western Power about the removal of the telegraph pole in the back garden and channelling the cables underground. Completion of this is expected in the next couple of months.

Ongoing Renovation

A schedule of works with ballpark costings will be drafted, so that the funding gap can be understood. Once a plan has been devised we will then decide how this is managed ongoing. A thank you to Graham Marsh who is currently assisting John and Brian.

When we have more of an idea of costings we can start to scope requirements pre-opening and the ongoing vision.
