Future Events

- This section has been updated to include all our events up to the end of 2023.

Charlotte has conducted a survey to try to establish which events our parishioners would like at the Village Hall. This will hopefully give us better ideas for the type of events we put on in the future (Feedback next month on the survey results).

We hope that the events we have arranged up to the end of the year will appeal to you and be well supported. The Events Team and Trustees are working hard to bring our community together to have fun and get to know each other better.

With this in mind we are currently promoting our **LIVE MUSIC NIGHT** on **Saturday 16th September**. This Music Night will be outdoors under a fairy light decorated Marquee. Fingers crossed for a balmy 'Indian Summer' night so we can have a drink, listen to our favourite 80's hits and dance the night away. We have taken a gamble with the financial outlay for this event so your support to make it a fun and memorable night is so important to us...

We have scheduled the event so that the louder music will be finished by 10.15pm, to reduce noise in the village. We want the Hall to be utilised with events for the benefit of the village, whilst minimising disruption for those who don't want to attend.

Events Update

Picnic & Games Afternoon – Saturday 19th August

55-60 people came out on a sunny afternoon for our Picnic & Games event. Thanks to Anthony for making the 'SPLAT THE RAT' and 'CORNHOLE' games and John for bringing along the 'Tug of War' rope. A big thank you to all the bakers (Anne, Leila, Hayley, Alex, Anthony, Lucy, Janet, Kelly, Rosemary, Diane and Mike Cunningham for their WONDERFUL cake donations) and helpers to make what could become a yearly event such a great success.

Take a look at the Gallery section on the Home Page of the website for a selection of photographs.

Yoga Taster Class – Sunday 13th August

On a bright sunny Sunday morning 16 people attended Rebecca's Yoga Taster Class. With the sun streaming into the Village Hall and the French windows thrown open we were guided through yoga poses, breathing techniques and meditation while listening to the birds singing outside. What a lovely way to connect body, breath and mind. Rebecca is currently considering a regular YOGA class and will keep us all posted.
