Just to confirm how the order was established for the Brick display – as donations were received they were given a number, families being kept together. County Councillor Barry Durkin overseen by PC Chairman Robert Lewis facilitated a draw setting the order the bricks will appear. The last push of brick sales were received after this process, so appear in the order the donation forms were received.

Volunteers

On Monday, 8th May 2023, members of the public have been invited to take part in 'The Big Help Out' to mark the Coronation of HM The King and HM The Queen Consort. The goal is to encourage people to try volunteering for themselves and join the work being undertaken to support their local areas.

'The Big Help Out' will highlight the positive impact volunteering has on communities across the nation and encourage people to try volunteering for themselves by joining the work being undertaken to support their local areas. This will help bring communities together and create a lasting volunteering legacy from the Coronation Weekend.

Here in Brampton Abbots we would not have our Village Hall, Church and the ability in the future to hold events without the support of our amazing volunteers but we are always looking for new people to help out.

Why not use 'The Big Help Out' as the initiative to join our group of volunteers? You can choose what suits you best...

If you are interested in joining the Brampton Abbots community group volunteers and helping out in any way you can, please contact us via email: admin@bavhall.co.uk

PS It doesn't have to be a huge commitment – every little helps to make a big difference.

16/05/23 – VH Annual General Meeting

A message from the Village Hall Chairman...

Calling all interested Parishioners,

Hopefully the regular updates from the Village Hall Committee have kept you well informed on the progression of the Village Hall refurbishment. I am delighted to say that we are nearing completion on Phase 1 and it looks spectacular. Our first event is the Grand Opening on Sunday 7th May and we look forward to seeing many of you there to help us celebrate.

We have been so lucky over the year to have had within the Trustees team Brian Miller Hall and John Berry who have brought their individual skill sets to bear in co-ordinating and project managing the refurbishment project. As we near completion, both individuals along with Diana Tabernacle who has been responsible and successful for grant funding, have decided that they will not stand again for re-election at the forthcoming AGM as they recognise the skill sets required for the ongoing management of the Village Hall need to be different. However all are committed to supporting and helping with the smaller Phase 2.

We are now about to enter the exciting phase of making the Village Hall an outstanding community resource. We are therefore welcoming individuals who will bring energy and ideas to join our Trustee team. If you are one of those individuals who wants to get involved in making this valuable resource central to our community, then please discuss/register your interest or simply find out more by contacting either myself, Mike or Hayley at admin@bavhall.co.uk ahead of the AGM on Tuesday 16th May.

Believe me it's a rewarding experience!
